## LOCAL DEPARTMENT.

### The City Schools.

**Office of Board of Education,**  
Janesville, Aug. 27, 1880.

**Messrs. Editors:**—For the information of the public, I desire to state through your columns, that the next term of the city schools will commence on the 10th day of September next.

Persons residing out of the city, who desire to attend the schools are required to pay a tuition fee, which in the high school is \$3 per term, in the grammar department \$4, and in the different ward schools \$3 per term. In each of these departments, the fee must be paid in advance, else the scholar will be excluded. By a resolution of the Board of Education, this rule will be rigidly enforced.

Very respectfully,  
**JAMES ARMSTRONG,**  
City Board of Education.

**WHAT DOES IT MEAN?**—We have heard some inquiry as to the meaning of a strange assault upon the front doors of the dwellings of some of our citizens. In one instance we understand a lady anxiously inquired if a legal claimant had come to take possession of her homestead. In another, a lady asked her husband if he was putting a mortgage on his dwelling. In others, it was feared that burglars were marking the houses for operations during the national fair. Some, probably tenants in arrears, took the strange proceedings as "notice to quit" or pay up. What other strange surmises were indulged we know not, but certainly we have seen several "exercised" individuals.

The explanation of the mystery seems to be this: An insurance agent is putting up plates with the name of the company in which the house is insured, and as he proceeds without giving notice or explanation of his object, some of the occupants are in a state of bewilderment that partakes of the ludicrous or have an appreciation of the proceeding that assumes somewhat the character of the indignant. From the number of plates put up the company seems to be a popular one, and the agent is as well qualified to settle any trouble as anybody we know.

**A NEW VARIETY OF PLUMS.**—B. B. Eldredge, Esq., of this city, has a variety of plums growing in his garden, which are worthy of the attention of horticulturists. They have a very fine peachy flavor, good size, yellowish green color, and are said by Mr. Eldredge to be entirely exempt from the attacks of the curculio. The tree is also free from the diseases which so destructive to plum trees in the west. It originated in the garden of Mr. Eldredge's father, in the state of New York, and if found worthy of general cultivation, as we have doubt it will, it should be called the "Eldredge Plum."

**A BUSINESS CHANGE.**—George A. Young, city treasurer, has bought out Platt Bicycle-shimer in the meat market on Milwaukee street bridge. This market has always been well furnished with the best stock that could be purchased, and Mr. Young intends to keep up its reputation by keeping up the character and quantity of its supplies.

**SPIRIT MANIFESTATIONS.**—A novelty in the way of spirit manifestations is announced at the court room Saturday evening next. See our advertising columns.

**A VALUABLE DOG POISON.**—The well-known and faithful Newfoundland dog "Major," belonging to J. S. Parker of this city, was poisoned last night. Whether the poison was administered by some cowardly miscreant or who wishes to enter the dwelling of Mr. Parker which the dog so rigidly guarded in the absence of the family, or the fatal dose was picked up in the street, is unknown. In either case the loss to Mr. Parker and his children is a serious one, for besides the good qualities of the dog as a faithful and trusted sentinel, he was the pet of the household, and the protector of its young members. He was always kept at home, and "little Charley" will hear of his death with feelings akin to those he would have received the loss of a cherished playmate or a beloved brother.

**THE MEETING AT AFTON.**—The republican meet at Afton, Wednesday evening, was a large and enthusiastic one. The railroad depot building was filled, and the meeting was effectively addressed by Messrs. Sloan and Cassaday of this city and Mr. S. D. Burlingame of Afton. This meeting made a very favorable contrast, both in its character, proceedings and influence, with the democratic assemblage of a few evenings previous. The town of Rock is bound to give a good report of herself next November. Mr. Burlingame assumed the main labor of the preparations for this meeting, and is entitled to credit for the zeal and timeliness with which he made the arrangements. We understand that a series of meetings are in contemplation for the town, and hope the suggestion made at the meeting to this effect will be adopted. A thorough organization, in connection with frequent neighborhood assemblages, will bring out the right result.

**A large brass key left at this office for the owner.**

**ATTENTION**  
**Wide Awake!**

The Wide Awake are requested to meet at the Court Room this evening at 7 o'clock precisely, for drill and street parade. It is desired that every member be present at this meeting, as business of importance will come before it.

**LAST**, on Main street, a sleeve and collar of a brown linen chesterfield, cut and made. The finder will confer a favor on the owner by leaving it at this office.

**HALF FARE TO THE NATIONAL HORSE SHOW.**—We are informed by Mr. Strong, ticket agent at this place, that the Milwaukee and Mississippi railroad will convey passengers to the National Horse Show in this city, next week, at half fare.

## Republican Office Notice.

Mr. Ichabod Codding, of Illinois, will address the republican club on FRIDAY EVENING, Aug. 28, at the Court Room. Mr. Codding is one of the most effective speakers in the west, and is well and favorably known in this vicinity, and we would for him a full house. Come one, come all, and listen to this able champion of freedom.

**R. B. CHAMPTON, Pres.**  
**A. A. JACKSON, Sec'y.**

## Agricultural Notice.

The regular quarterly meeting of the Rock County Agricultural Society and Mechanics' Institute, will be held at the Court Room in Janesville, on Monday, September 28, 1880, at 10 o'clock A. M.

**JERE BLOUNT, Sec'y.**

## A Card.

Payment of the Andrew has at Delapra, Wis., by the Phoenix Insurance Company of Hartford, Conn., through the agent in this city, the sum of \$700.00, it being the full amount covered by policy issued by them to Mr. G. W. R. Andrews, to cover property of his situated in Delapra, Walworth county, Wisconsin, which property has since been totally destroyed by fire.

I cheerfully recommend the "Phoenix" to the patronage of this community, not only because its obligations to me have been fulfilled, but from the fact that I feel satisfied of the honesty and reliability of the institution, and I believe that in the adjustment and payment of losses, its officers are disposed to act fairly and impartially, looking alike to the interests of the insured and the insured, and desiring justice to both.

I am now a "Phoenix" policy holder, and I hope I may long continue to be one, being satisfied that in this well known company I shall always find reliable indemnity.

**(and 28th St.) EDWARD MILLER.**

## Life Insurance.

Those desiring this safe and cheapest protection for their families, can secure it in our Wisconsin company. To face already become, in reality, a state institution, having agents and patrons among the best business men in all the principal towns in the state. It is no longer a matter of doubt that life insurance can be conducted as well in Wisconsin as in Connecticut or any other eastern state.

While duty demands that men should insure their lives, it also demands that they should keep their money for investment at home. Confident that our money has been more than equal to that of the most "unsuccessful" we would cordially invite all our citizens to call at the office, southwest corner of Main and Wisconsin streets, and examine for themselves.

## LOCAL DEPARTMENT.

### The City Schools.

OFFICE OF BOARD OF EDUCATION, Janesville, Aug. 27, 1880.

MESSRS. EDITORS:—For the information of the public, I desire to state through your columns, that the next term of the city schools will commence on the 10th day of September next.

Persons residing out of the city, who desire to attend the schools are required to pay a tuition fee, which in the high school is \$5 per term, in the grammar department \$4, and in the different ward schools \$3 per term. In each of these departments, the fee must be paid in advance, else the scholar will be excluded. By a resolution of the Board of Education, this rule will be rigidly enforced.

Very respectfully,  
JAMES ARMSTRONG,  
Ct. Board of Education.

WHAT DOES IT MEAN?—We have heard some inquiry as to the meaning of a strange assault upon the front doors of the dwellings of some of our citizens. In one instance we understand a lady anxiously inquired if a legal claimant had come to take possession of her homestead. In another, a lady asked her husband if he was putting a mortgage on his dwelling. In others, it was feared that burglars were marking the houses for operations during the national fair. Some, probably tenants in arrears, took the strange proceedings as "notice to quit" or pay up. What other strange surmises were indulged we know not, but certainly we have seen several "exercised" individuals.

The explanation of the mystery seems to be this: An insurance agent is putting up plates with the name of the company in which the house is insured, and as he proceeds without giving notice or explanation of his object, some of the occupants are in a state of bewilderment that partakes of the ludicrous or have an appreciation of the proceeding that assumes somewhat the character of the indignant. From the number of plates put up the company seems to be a popular one, and the agent is as well qualified to settle any trouble as anybody we know.

A NEW VARIETY OF PLUMS.—D. B. Eldredge, Esq., of this city, has a variety of plums growing in his garden, which are worthy of the attention of horticulturists. They have a very fine peachy flavor, good size, yellowish green color, and are said by Mr. Eldredge to be entirely exempt from the attacks of the curculio. The tree is also free from the diseases which are so destructive to plum trees in the west. It originated in the garden of Mr. Eldredge's father, in the state of New York, and if found worthy of general cultivation, as we have doubt it will, it should be called the "Eldredge Plum."

A BUSINESS CHANGE.—George A. Young, city treasurer, has bought out Platt Eylesmimer in the meat market on Milwaukee street bridge. This market has always been well furnished with the best stock that could be purchased, and Mr. Young intends to keep up its reputation by keeping up the character and quantity of its supplies.

SPIRIT MANIFESTATIONS.—A novelty in the way of spirit manifestations is announced at the court room Saturday evening next. See our advertising columns.

A VALUABLE DOG POISON.—The well-known and faithful Newfoundland dog "Major," belonging to J. S. Parker of this city, was poisoned last night. Whether the poison was administered by some cowardly miscreant who wishes to enter the dwelling of Mr. Parker which the dog so rigidly guarded in the absence of the family, or the fatal dose was picked up in the street, is unknown. In either case the loss to Mr. Parker and his children is a serious one, for besides the good qualities of the dog as a faithful and trusted sentinel, he was the pet of the household, and the protector of its young members. He was always kept at home, and "little Charley" will hear of his death with feelings akin to those he would have received the loss of a cherished playmate or a beloved brother.

THE MEETING AT AFON.—The republican meet at Afon, Wednesday evening, was a large and enthusiastic one. The railroad depot building was filled, and the meeting was effectively addressed by Messrs. Sloan and Cassaday of this city and Mr. S. D. Burlingame of Afon. This meeting made a very favorable contrast, both in its character, proceedings and influence, with the democratic assemblage a few evenings previous. The town of Rock is bound to give a good report of herself next November. Mr. Burlingame assumed the main labor of the preparations for this meeting, and is entitled to credit for the zeal and timeliness with which he made the arrangements. We understand that a series of meetings are in contemplation for the town, and hope the suggestion made at the meeting to this effect will be adopted. A thorough organization, in connection with frequent neighborhood assemblages, will bring out the right result.

A large brass key left at this office for the owner.

### ATTENTION

The Wide Awakes are requested to meet at the Court Room this evening at 7 o'clock precisely, for drill and street parade. It is desired that every member be present at this meeting, as business of importance will come before it.

A. B. McLEAN, Captain.

HALF FARE TO THE NATIONAL HORSE SHOW.—We are informed by Mr. Strong, ticket agent at this place, that the Milwaukee and Mississippi railroad will convey passengers to the National Horse Show in this city, next week, at half fare.

### Republican Club Meeting.

Mr. Lehabod Coddington of Illinois, will address the republican club on FRIDAY EVENING, Aug. 28th at the Court Room. Mr. Coddington is one of the most effective speakers in the west, and is well and favorably known in this vicinity, and we bespeak for him a full house. Come one, come all, and listen to this able champion of freedom.

R. B. TREAT, Pres't.  
A. A. JACKSON, Sec'y.

### Agricultural Notice.

The regular quarterly meeting of the Rock County Agricultural Society and Mechanics Institute, will be held at the Court Room in Janesville, on Monday, September 28, 1880, at 10 o'clock A. M.

JERE BLOUNT, Sec'y.

### A Card

Payment of the Andross loss at Delavan, Wis., by the Phoenix Insurance Company of Hartford, Conn., through the agent in this city, the sum of \$700.00, being the full amount covered by policy issued by them to Mr. W. D. Andross, to cover property of his situated in Delavan, Walworth county, Wisconsin, which property has been totally destroyed by fire.

I cheerfully recommend the Phoenix to the patronage of this community, not only because its obligations to me have been fulfilled, but from the fact that I feel satisfied of the solvency and reliability of the institution, and I believe that in the adjustment and payment of losses, its officers are disposed to act fairly and impartially, holding alike to the interests of the assured and the insured, and dealing fairly by both.

I am now a Phoenix policy holder, and I hope I may long continue to be one, being satisfied that in this well known company I shall always find reliable indemnity.

EDWARD MILLER.

### Life Insurance.

Those desiring this safe and cheapest protection for their families can secure it in our Wisconsin company. It has already become, in reality, a state institution, having agents and patrons among the best business men in all the principal towns in the state. It is no longer a matter of doubt that life insurance can be conducted as well in Wisconsin as in Connecticut or any other eastern state.

While duty demands that men should insure their lives, it also demands that they should insure their property at home. Confident that our success has been more than equal to that of the most "unprecedented," we would cordially invite all our citizens to call at the office, southwest corner of Main and Wisconsin streets, and examine for themselves.

S. S. DAGGETT, President.

A. W. KELLGRO, Secretary.  
Messrs. Ely & Harlow, produce dealers, and Capt. Geo. S. Dodge will receive applications for insurance in this home company, and will also be happy to give information as to the conditions thereof, to any one desirous of being informed, in Janesville.

### COMMERCIAL.

Reported for the Janesville Gazette, by  
BUMP & GRAY,  
GRAIN AND PRODUCE DEALERS.

JANESVILLE, AUGUST 30, 1880.

To-day has been a unusually active one in the wheat market, the thing opening this morning very quiet at 75¢ per bushel for milling and 75¢ per bushel for shipping, and quite a number of sales were made early in the day, but about 10 o'clock, owing to some misunderstanding among buyers, there was a great change and all pitched in like crazy men, and most anything that could be sold went off at a high price. The wheat sold in some cases as high as \$1.15. It seems to be an object to every buyer to pay as little as possible; towards night, however, they were a little more rational, the market closing at 76¢ per bushel for milling and 76¢ per bushel for shipping.

We make up prices as follows:

WHEAT—white winter 75¢ per bushel; good to choice milling spring 70¢; common to fair shipping 77¢.

BARLEY—white winter 75¢ per bushel; good to choice milling spring 70¢; common to fair shipping 77¢.

CORN—white winter 55¢ per bushel; good to choice milling spring 50¢; common to fair shipping 57¢.

RYE—white winter 55¢ per bushel; good to choice milling spring 50¢; common to fair shipping 57¢.

POTATOES—plenty at 20¢ per bushel.

BUTTER—milk 18¢ per pound.

EGGS—owing to a better supply have declined to 6¢ per dozen.

HIDES—Crested, 5 to 6¢; Dry, salted, 10¢; Dry, salt, 12 to 13¢.

FEATHERS—spring at 25¢, per 100 lbs.

POULTRY—chickens, 6¢; turkeys, 7¢.

Republican Nominations. For President, ABRAHAM LINCOLN, OF ILLINOIS.

For Vice President, HANNIBAL HAMLIN, OF MAINE.

Republican Presidential Electors. AT LARGE: WALTER D. MEINDOE, of Marathon; BRADFORD KILBURN, of Winnebago.

FIRST CONGRESSIONAL DISTRICT: W. W. Vaughan, of Racine.

SECOND CONGRESSIONAL DISTRICT: J. Allen Barber, of Grant.

THIRD CONGRESSIONAL DISTRICT: H. Lindeman, of Jefferson.

FOR CONGRESS—SECOND DISTRICT, LUTHER HANCHETT, OF PORTAGE COUNTY.

Douglas vs. Douglas and the Missouri Compromise.

From Douglas' Speech in Springfield, Ill., 1850. The Missouri Compromise had its origin in the hearts of all patriotic men who desired to preserve the peace and blessings of our glorious Union.

How Non-Intervention Works. I believe that it is the right of the south to demand that the duty of congress to extend, protection of persons and property of every kind (including slaves) in the territories.

Second Assembly District Convention. The Republicans of the Second Assembly District composed of the towns of Lima, Hamilton, Johnson, Harmony, Rockford and La Prairie will meet in convention.

Rock. The Republicans of the town of Rock are requested to meet at the School House, near J. F. Antidors, on SATURDAY, September 8th, at 2 o'clock P.M.

Janesville. The Republican electors of the town of Janesville will meet at the Rock River House in said town on SATURDAY, the 8th of September next, at 2 o'clock P.M.

"CAPITAL SHOULD OWN LABOR."—Herschel V. Johnson, the candidate for Vice President on the Douglas ticket, maintained in a speech in Philadelphia in 1856 that "capital should own labor."

MECHANICS FOR SALE.—The subscriber has on hand two excellent carpenters, three Blacksmiths and one excellent wheelwright, all excellent mechanics in their respective lines.

A RELIEF.—The nomination of Mr. Rymert as the democratic candidate for congress in this district, has relieved some of the zealous Dane county republicans of an embarrassing dilemma.

The Madison Argus and other papers have published the rumor that Mayberry was not guilty of the murder of Alger, are requested to publish the statement of Mr. Ely in relation to this matter, which may be found in our paper to-day.

VOTE OF NEW YORK.—In 1856 the popular vote for president in the Empire state was: For Fremont, 270,000; For Buchanan, 136,878; For Fillmore, 124,004.

The Utica Herald thinks the vote this fall will stand as follows: For Lincoln, the Fremont vote of 270,000 and half the Fillmore vote, 65,000; For Douglas, the Buchanan vote, 136,878; For Breckinridge, and half the Fillmore, 65,000; For Breckinridge, 124,004.

NOMINATED FOR CONGRESS.—J. D. Rymert of St. Croix county has been nominated as the democratic candidate for congress in this district. He was formerly a senator from Waukesha county.

The population of Waukesha county is 8,814. It has within its borders twenty-eight organized religious societies; and only eight paupers.

Senator Truesen, Polk of Missouri has taken the stump for Breckinridge.

There was an immense republican demonstration at Indianapolis on the 29th inst. There were from 40,000 to 50,000 people present, and 7,000 or 8,000 Wide Awakes.

There was a grand musical entertainment at Montreal, in honor of the Prince. It lasted four hours, and upwards of 8,000 persons were present.

The radical abolitionists nominated a presidential ticket at Syracuse on the 29th. Gerritt Smith, for president, and Saml. McFarland, for vice-president. There were about 100 persons present, including several women.

Lord Elgin and Baron Gross are endeavoring to settle the difficulties with China without a resort to force.

The republicans of Massachusetts have nominated John A. Andrew for Governor and J. G. Goodrich for Lieut. Governor.

A democratic senatorial convention met in Philadelphia on Wednesday, and split in two, and then separately nominated Douglas and Breckinridge candidates.

The Douglasites are in a decided majority in the Connecticut democratic state convention. They voted down a resolution to place on the ticket two Bell and Everett electors.

Mr. Douglas continues his stumping tour in Virginia and is going to Raleigh. In Michigan a full Breckinridge electoral ticket has been nominated. The convention disavowed any union with their opponents.

President Buchanan has had a very enthusiastic reception at Cumberland, Md.—He ought to take up his residence there, as it is the only place where he has ever had such a reception.

The telegraph line has been opened to St. Paul.

Cheated all the Time. Since the days of Gen. Jackson, the democrats have been continually cheated by those whom they have elevated to the presidency. They have always had the grace to acknowledge this fact, either before the presidential term expires, or at the election succeeding it. This was the case with Van Buren in 1840, with Pierce in 1856, and now with Buchanan in 1860. Each of these men were practically repudiated by a refusal to re-nominate them by their party, and by the severest denunciations from the press and their partisan supporters.

It will be remembered by many that the democratic editors and orators, on every occasion, when they present a new candidate for the presidency, acknowledge that they were deceived by the previous incumbent, but that they have now found a man who is all right, and if the people will only this once trust them, they pledge themselves that there will be a real democratic administration. But, somehow, when they get their man elected, "he follows in the footsteps of his illustrious predecessor"—bows down worships the slave power and squanders the money of the people. It is not at all singular that there are many honest and well meaning citizens who have got tired of this, and have lost faith in the promises of the leaders of their party. And it is not strange that they should come to the conclusion that a change of parties, as well as administrations, would be a wholesome thing for the country. We cannot illustrate this better than by copying the following from the Arcostock Herald, which says:

"We heard a conversation the other day between a Breckinridge man and an old democrat, who avowed his intention of voting for Lincoln.

"I've always been a democrat, and I've been reading and studying, and I've come to the conclusion that the democratic party don't stand where it did in 1850, and I'm going to vote for 'Honest Old Abe'."

"Yes and get cheated," says the hunker. "Well," coolly replied the other, "I voted for Pierce and Buchanan, and got awfully cheated both the times, and I don't feel like being humbugged the third time. I had as lief be cheated once by the republicans as all the time by the democrats."

The test of constitutional principles proclaimed by Douglas in his eastern speeches—that the creed which cannot be proclaimed in all parts of the confederacy is unsound—is a very absurd proposition, and quite unworthy of an aspirant to the presidency.

Mr. Douglas must admit that at one time nearly the whole south was opposed to the spread of slavery. Mr. Mason of Virginia admitted this in a speech in the senate, last winter; and he further acknowledged that Madison, Jefferson, Patrick Henry and other great men of Virginia, were in favor of restricting slavery to the area in which it then existed; that by doing this they expected that slavery would die of itself.

Now, this is precisely the republican doctrine; it is what republican orators and editors would preach in Virginia if they were permitted to proclaim their doctrines there; what we desire to know is this—this creed was true, and was founded upon a correct basis, in the days of Jefferson, why is it not true now in Virginia as well as in Wisconsin?

If a mob prevents the declaration of these sentiments does that make them false? If this is so, we must go to mobs for our doctrines in relation to the principles of self-government. If it is true, just as soon as the people put down the fugitive slave law in this state with the strong hand, it ought to be a dead letter throughout the confederacy, for whatever law cannot be enforced all over the land, according to Douglas, is unsound.

We might give other illustrations of the falsity of this new test of principle, authoritatively announced by Mr. Douglas. Recently the Christians of Syria have been murdered in vast numbers and their religion trampled under the feet of Mahomedanism. The doctrines of the Christian religion cannot be proclaimed in that country at all, but does that make the religion unsound? The Emperor of France overthrows the French republic, and banishes from that country all who dare to proclaim republican doctrines—but because he does this are the principles of a republican government any more unsound or untrue in France than they are in the United States?

We doubt whether Mr. Douglas would act upon the principle announced if he should be elected president. We understand from his speech at Norfolk that he would not—that the laws would be enforced although they might not be palatable to the south. Among those laws there is one which protects the circulation of newspapers in the mails; we expect Mr. Douglas will see that this is enforced, if he is elected. There is a constitutional provision which asserts the equality of citizenship throughout the republic—that needs to be faithfully executed. When that is done there can be no such thing as the impracticability of freedom of speech and the press, either north and south.

So we see that not only is the new test of principle announced by Mr. Douglas proven to be untrue, but he proposes himself, to be the champion in enforcing the laws founded upon this "unsound" creed, if they should be passed; taking Jackson's heroic example in 1832, in relation to South Carolina, as his guide. Thus it happens in this case, as in most others where Mr. Douglas pronounces in favor of a political principle, he is among the first to repudiate it, and plant himself upon an opposite position.

WHEAT GOING TO MILWAUKEE.—Yesterday there was loaded from the freight depot of the Milwaukee and Mississippi railroad, in this city twenty cars with wheat for Milwaukee. Nineteen car loads of wheat was also received from Beloit and Freeport, going to Milwaukee, which market seems, so far since the harvest, to be the favorite one among our grain dealers.

THE DEMOCRATIC STATE CONVENTION HELD HERE YESTERDAY RESULTED IN THE NOMINATION OF A CLEAR DOUGLAS ELECTORAL TICKET. There were some 400 delegates present. The Breckinridge wing being in the minority a good deal of illfeeling interspersed with personalities characterized the debates between the two wings. The following is the electoral ticket nominated at Large—Saml. Colts of Hartford and John J. Rousseau.

RESOLUTIONS WERE PASSED ENDORSING THE CHARLESTON-BALTIMORE PLATFORM AND RECOMMENDING THE SAME FOR ADOPTION BY THE DEMOCRATS OF CONNECTICUT; ENDORSING DOUGLAS AND JOHNSON AS THE REGULAR NOMINATED CANDIDATES OF THE DEMOCRATIC PARTY. An effort was made to affix a clause to one of the resolutions instructing the delegates to vote for some other candidate than Douglas in order to defeat Lincoln, but this was rejected, aye 152, nays 220.

THERE WILL PROBABLY BE A BRECKINRIDGE CONVENTION CALLED AND ANOTHER TICKET NOMINATED.

NEW YORK, Aug. 30. James T. Brady accepts the Breckinridge gubernatorial nomination with the understanding that he will withdraw in case of a union of the democracy.

JUDGE DOUGLAS ARRIVED LAST EVENING AT RALEIGH, NORTH CAROLINA, where he speaks to-day. He received an enthusiastic reception.

THE DOUGLAS STATE COMMITTEE MET YESTERDAY AT ST. NICHOLS, to make arrangements for the presidential campaign. Nothing was done about a fusion with the Breckinridge wing.

PATTERSON'S WAREHOUSE AND SEVERAL ADJOINING WOODEN BUILDINGS DESTROYED BY FIRE YESTERDAY. Loss \$10,000—partly insured.

EXCITING PREPARATIONS ARE BEING MADE FOR THE REPUBLICAN MASS MEETING TUESDAY NEXT, and reception of Mr. Seward. It promises to be the largest demonstration of this campaign.

THE REPUBLICAN STATE CONVENTION MET HERE THIS FORENOON, with a very full attendance from all parts of the state. Hon. J. H. Hancock, of New Haven, was chosen president, with vice presidents and secretaries from every county.

THE DOUGLAS MEETING AT WOODSTOCK, ILL., on Wednesday, was not as large as was expected.

FOR THE DAILY GAZETTE. The Alger Murder—Mayberry and the McCombs.

I have read with regret, the article from the Madison Argus on this subject, copied into your paper of yesterday. When we consider the dreadful tragedy to which it relates—a murder of unexampled cold-bloodedness, followed so quickly by a trial, conviction and sentence by due course of law and the execution of the criminal by a mob—a mob of infuriated men, who in reeking vengeance on Mayberry, struck down the arm of law to which we all look for protection. When we consider all this it becomes a matter of great importance, that the deep settled convictions which every where prevail of Mayberry's guilt should not be wantonly disturbed.

I was district attorney at the time, and as such, it became my duty to conduct the prosecution. I can affirm that independent of the testimony of the McCombs, never in the whole course of criminal trials was the guilt of a criminal more clearly established. Throwing out of the case the testimony of the McCombs, the evidence followed Mayberry and his victim day by day and step by step, without a single omission, from the time they both left Rockford, Illinois up to the day of Mayberry's arrest.

It established that they both left Rockford about the same time; that Mayberry left with very little money; that they were at Beloit at the same time; that Mayberry came to Janesville in advance of Alger and waited here; that he bought a hatchet here similar to the one produced on the trial and stained with blood; that soon after Alger got to Janesville Mayberry left town; that Alger staid here but a part of a day; that on the afternoon of the murder Mayberry was alone on foot, waiting on the road to Milton about a mile and a half from where the body of Alger was found; that Alger was going towards Milton on the same road and at the same time with his horse and wagon about two miles behind Mayberry; that about 9 o'clock of that same evening Mayberry returned to Janesville with a horse and buggy like Alger's, wearing a hat like Alger's and possessed of a considerable sum in gold with a part of which he purchased a suit of clothes, that at this time he was alone; that he stopped at a shanty, while in Janesville, with a widow woman and that no one was with him there; that on that evening there came up a violent thunder storm and Mayberry in the midst of the storm stopped with a farmer on the road to Beloit and staid over night, that he was then alone and had with him a horse and buggy which was identified as the one Alger had when on the road to Milton; that the next day (Sunday) he was seen with a horse and buggy on the road between Beloit and Rockford going towards Rockford; that he was arrested near Rockford at the McCombs' that night and had on his person property identified as Alger's. All this was independent of the McCombs' testimony. And I am authorized by his counsel, Hon. A. Hyatt Smith, to say that during the trial he admitted to him the correctness of the witnesses who identified him at various places.

My opinion at the time (based partly on the bad reputation of the McCombs) was that the McCombs were accessories before the fact, to a plan to rob Alger, but that they were not sufficiently hardened to aid murder to the crime of robbery, and so, conscience stricken, became informers against Mayberry.

The testimony further established that the McCombs were at home during the whole of the time after Alger left Rockford till Mayberry was arrested. I never saw Lant McCombs. He did not aid in the search for Alger's body, and was not a witness on the trial.

Wool Growing in Dane County. ST. PAUL, August 22d, 1860. Messrs. Editors State Journal: Sirs.—I notice in your paper a challenge to Dane county, from the Janesville Gazette, by one John Stockton, to shear as large a fleece of wool as his, which weighed 11 1/2 lbs. Thinking he might feel too well if no notice was taken of it, I thought best to reply. On the first day of June, 1860, I sheared from a yearling buck, whose carcass weighed 65 lbs, 12 lbs, 6 oz, of beautiful wool. Mr. Justus Smith, of this place, also sheared from a yearling buck, 12 lbs, and Mr. Morris Platt, of Bristol, from a yearling buck, 15 lbs. The profits at hand if wanted. Let those sheep be at the state fair and let us hear from Rock county again. Yours respectfully, C. A. LEWIS.

A CONCOINCE.—A singular coincidence in the movements of two men-of-war, which took place recently, is worth remarking. An English frigate, prized by all loyal Britons for having captured a Yankee craft, and a Yankee frigate, whose heroic defeat and seizure of two British national ships fill so glorious a page in our naval annals, both being, in maritime parlance, invalids, have, within a few days of each other, been equipped for a cruise and sent to sea.

THEY ARE AGAIN.—The unaccountable female interest manifested in this gallowsbird seems to continue. Sheriff Gray has recently received a letter from one of his admirers in New York city, making inquiry as to his whereabouts. For her benefit, and that of his other numerous lovers, we would state that when last heard from he was in St. Louis.—Chicago Journal.

MARRIED. At the bride's father's, in La Prairie, on the 25th inst., by the Rev. O. F. Curtis, ASHUR W. CURTIS, Esq., of Glenside, St. Croix county, Wis., and Miss JENNIE L. STURGEON, of La Prairie, Rock county.

### The City Schools.

OFFICE OF BOARD OF EDUCATION,  
JANESVILLE, Aug. 27, 1860.

Messrs. Editors:—For the information of the public, I desire to state through your columns, that the next term of the city schools will commence on the 10th day of September next.

Persons residing out of the city, who desire to attend the schools are required to pay a tuition fee, which in the high school is \$5 per term, in the grammar department \$4, and in the different ward schools \$3 per term. In each of these departments, the fee must be paid in advance, else the scholar will be excluded. By a resolution of the Board of Education, this rule will be rigidly enforced.

Very respectfully,  
JAMES ARMSTRONG,  
Ck. Board of Education.

WHAT DOES IT MEAN?—We have heard some inquiry as to the meaning of a strange assault upon the front doors of the dwellings of some of our citizens. In one instance we understand a lady anxiously inquired if a legal claimant had come to take possession of her homestead. In another, a lady asked her husband if he was putting a mortgage on his dwelling. In others, it was feared that burglars were marking the houses for operations during the national fair. Some, probably tenants in arrears, took the strange proceedings as "notice to quit" or pay up. What other strange surmises were indulged we know not, but certainly we have seen several "exercised" individuals.

The explanation of the mystery seems to be this: An insurance agent is putting up plates with the name of the company in which the house is insured, and as he proceeds without giving notice or explanation of his object, some of the occupants are in a state of bewilderment that partakes of the ludicrous or have an appreciation of the proceeding that assumes somewhat the character of the indignant. From the number of plates put up the company seems to be a popular one, and the agent is well qualified to settle any trouble as anybody we know.

A NEW VARIETY OF PLUMS.—B. B. Eldredge, Esq., of this city, has a variety of plums growing in his garden, which are worthy of the attention of horticulturists. They have a very fine peachy flavor, good size, yellowish green color, and are said by Mr. Eldredge to be entirely exempt from the attacks of the curculio. The tree is also free from the diseases which are so destructive to plum trees in the west. It originated in the garden of Mr. Eldredge's father, in the state of New York, and if found worthy of general cultivation, as we have doubt it will, it should be called the "Eldredge Plum."

A BUSINESS CHANGE.—George A. Young, city treasurer, has bought out Platt Eycleshimer in the meat market on Milwaukee street bridge. This market has always been well furnished with the best stock that could be purchased, and Mr. Young intends to keep up its reputation by keeping up the character and quantity of its supplies.

SPIRIT MANIFESTATIONS.—A novelty in the way of spirit manifestations is announced at the court room Saturday evening next. See our advertising columns.

A VALUABLE DOG POISON.—The well-known and faithful Newfoundland dog "Major," belonging to J. S. Parker of this city, was poisoned last night. Whether the poison was administered by some cowardly mercenary who wishes to enter the dwelling of Mr. Parker which the dog so rigidly guarded in the absence of the family, or the fatal dose was picked up in the street, is unknown. In either case the loss to Mr. Parker and his children is a serious one, for besides the good qualities of the dog as a faithful and trusted sentinel, he was the pet of the household, and the protector of its young members. He was always kept at home, and "little Charley" will hear of his death with feelings akin to those he would have received the loss of a cherished playmate or a beloved brother.

THE MEETING AT APTON.—The republican meet at Afton, Wednesday evening, was a large and enthusiastic one. The railroad depot building was filled, and the meeting was effectively addressed by Messrs. Simon and Cassaday of this city and Mr. S. D. Burlingame of Afton. This meeting made a very favorable contrast, both in its character, proceedings and influence, with the democratic assemblage a few evenings previous. The town of Rock is bound to give a good report of herself next November. Mr. Burlingame assumed the main labor of the preparations for this meeting, and is entitled to credit for the zeal and timeliness with which he made the arrangements. We understand that a series of meetings are in contemplation for the town, and hope the suggestion made at the meeting to this effect will be adopted. A thorough organization, in connection with frequent neighborhood assemblies, will bring out the right result.

A large brass key left at this office for the owner.

ATTENTION  
**Wide Awakes!**

The Wide Awakes are requested to meet at the Court Room this evening at 7 o'clock precisely, for drill and street parade. It is desired that every member be present at this meeting, as business of importance will come before it.

A. B. McLEAN, Captain.

HALF FARE TO THE NATIONAL HORSE SHOW.—We are informed by Mr. Strong, ticket agent at this place, that the Milwaukee and Mississippi railroad will convey passengers to the National Horse Show in this city, next week, at half fare.

## Republican Club Meeting.

Mr. Jacobus Coddling of Illinois, will address the republican club on FRIDAY EVENING, Aug. 31st at the Court Room. Mr. Coddling is one of the most effective speakers in the west, and is well and favorably known in this vicinity, and we bespeak for him a full house. Come one, come all, and listen to this able champion of freedom.

R. B. TREAT, Pres.

A. A. JACKSON, Secy.

## Agricultural Notice.

The regular quarterly meeting of the Rock County Agricultural Society and Mechanics' Institute, will be held at the Court Room in Janesville, on Monday, September 3d, 1860, at 10 o'clock A. M.

JERRE BLOUNT, Secy.

## A Card.

Payment of the Andrew loss at Delevan, Wis., by the Phoenix Insurance Company of Hartford.

MILWAUKEE, Wis., July 25th, 1860.

I take pleasure in stating that I have this day received from the Phoenix Insurance Company of Hartford, Conn., through the agent in this city, the sum of \$700.00, it being the full amount covered by policy issued by them to Mr. G. W. D. Andrews, to cover property of his situated in Delevan, Watworth county, Wisconsin, which property has since been totally destroyed by fire.

I cheerfully recommend the "Phoenix" to the patronage of this community, not only because its obligations to the insured have been fully and promptly met, but also because of the liberality and reliability of the institution, and I believe that in the adjustment and payment of losses, its officers are disposed to act fairly and impartially, looking alike to the interests of the assured and the insurer, and dealing justly by both.

I am now a "Phoenix" policy holder, and I hope I may long continue to be one, being satisfied that in this well known company I shall always find a reliable and prompt agent.

[SIGNED] EDWARD MILLER.

## Life Insurance.

Those desiring this safe and cheap protection for their families, can secure it in our Wisconsin company. It has already become, in reality, a state institution, having agents and patrons among the best business men in all the principal towns in the state. It is no longer a matter of doubt that life insurance can be conducted as well in Wisconsin as in Connecticut or any other eastern state.

While duty demands that men should insure their lives, it also demands that they should keep their money for investment at home. Confident that our success has been more than commensurate with the confidence placed in us, we would cordially invite all our citizens to call at the office, southwest corner of Main and Wisconsin streets, and examine for themselves.

S. S. DAGGETT, President.

A. W. KELLOGG, Secretary.

Agents, Messrs. Packer & Harlow, produce dealers, and Capt. Geo. S. Dodge, will receive applications for insurance in this home company, and will also be happy to give information as to the conditions thereof, to any one desirous of being informed, in Janesville.

## COMMERCIAL.

### Janesville Wholesale Market.

Reported for the Janesville Gazette, BUMP & GRAY.

### GRAIN AND PRODUCE DEALERS.

JANESVILLE, August 30, 1860.

To-day has been an unusually active and exciting one in the wheat market, the thing opened this morning very quiet at 75c 50c for milling spring and 75c 70c for shipping, and quite a number of sales were made early in the forenoon, about 10 o'clock, owing to some misunderstanding among buyers, there was a great change and all pitched in like crazy men, and most anything that looked like wheat sold quick at 75c and clover sold in some cases as high as \$1 1/2c. It seems to be an object to every buyer to pay as high as possible; towards night, however, there was a little more rational, the market closing at 75c 50c for milling and 75c 70c for shipping. We make up prices as follows:

WHEAT—white winter 75c 50c; good to choice milling spring 75c 50c; common to fair shipping 75c 70c. OATS—in demand at 10c 10c per bushel. CORN—shelled at 25c 20c per 50 lbs. Ear 20c 25c per 100 lbs. RYE—in fair request at 35c 20c per 60 lbs. BARLEY—ranges from 25c 20c per 60 lbs. for common to fair.

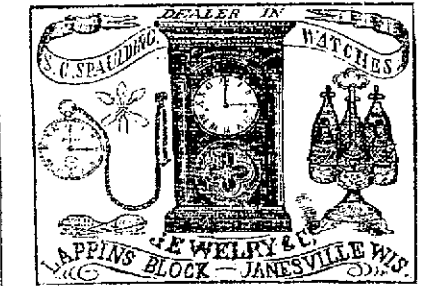

POLARIS—plenty at 20c 25c per bushel. BUTTER—fair to good at 12c 10c. EGGS—owing to a better supply have declined to 50c per dozen. HIDES—green, 5c 6c; dry, salted, 10c; dry, tanned, 12c 10c.

FLOUR—spring at 2 1/2c, per 100 lbs. HOLLAND—chickens, 8c; turkeys, 7c. TOOLS—ranges at 20c 20c per pound for common to best clips, with but very little coming forward.
